We The Students in
HONORS

National Honor Society

SEATED: Mr. Saunders, D. Roudebush, L. Moffat, D. Lance.
STANDING: G. McCord, B. Orr, J. Robinson, S. Tinkham, J. Johnson.

A student while attending school has many opportunities to be recognized for outstanding work. Perhaps the highest and hardest achievement to attain is membership in the National Honor Society.

This group was organized in 1948. Those accepted for membership proved outstanding in scholarship, service, character, and leadership. This organization requires highest standards and gives members a high goal for which to strive.

We feel that these selected students are truly the leaders of our school and will continue to be leaders throughout their lives.

Quill and Scroll

SEATED: K. Albee, Mr. Nicholas, K. Rentzsch.
STANDING: W. Burke, D. Haddix, J. Morrow.

The International Quill and Scroll is an honor society for superior journalistic achievement among High School Journalists. Students in order to be eligible for this honor must have written a minimum of 60 inches of accepted copy or have contributed outstanding work Editorially or in management. They must maintain a minimum 'B' average in all High School subjects and receive the recommendation of the Publications adviser as well as be acceptable to the Faculty Honorary Committee.

The society was established in 1947. Its purpose is to create the spirit and incentive of high ideals in journalism. Students selected to the society are entitled to wear the Quill and Scroll Pin to signify their membership in the Society.

National Athletic Scholarship Society

SEATED: W. Wallace, Mr. Cain, Mr. Cochrane, D. Haddix.
STANDING: T. Olson, B. Orr, H. Heath, J. Robinson, J. McKune.

The National Athletic Scholarship Society, founded in 1925, was formed to give high school athletes a deeper foundation in sportsmanship, scholarship, and citizenship. By realizing the need for all these requisites, athletes may help both themselves and their school in the field of sports.

In order to be eligible for this society, a boy must earn a varsity letter in either a major or minor sport. His scholarship must be higher than the general average of the school, and he must exemplify a high type of sportsmanship and citizenship. The faculty must approve the boy's nomination before he may be admitted to the society.

County Government Day

On February 2nd G. C. H. S. students held their final campaign convocation. Speeches were given by all campaign managers and candidates.

There was much confusion as the Nationalists and Federalists tried to outdo each other with noise makers and yelling.

One committee for each party made up lyrics to several songs and those were sung during the program.

Several Nationalist students had a card section and also read poems about different Nationalists members running for office.

Federalist band members added to the excitement with snappy band numbers.

The 1952 football season was the most gratifying one of several seasons. The year's record of seven wins against two losses tied the previous year's win and loss column. The Eagles were at one time rated first in Class "C" by Gregg McBride and second place in the final ratings.

Action at the Games

Haddix goes through the middle again as Robinson, Gaston, and Billingsly fake an end run.

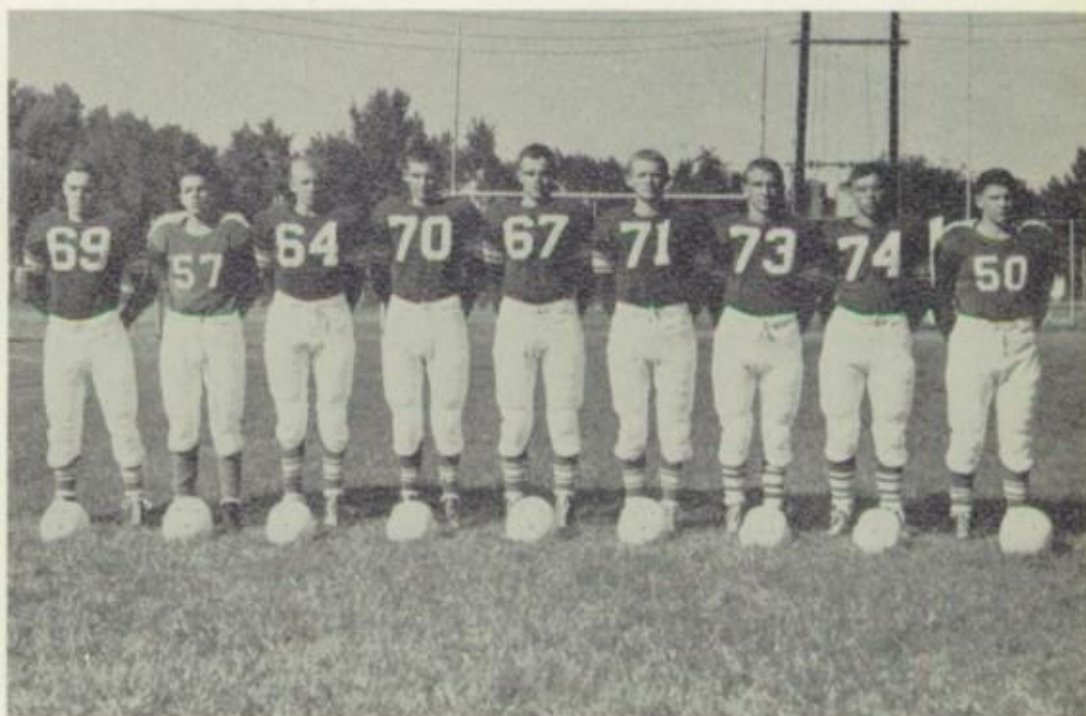

A Grant Plainsman is stopped for little yardage as the Eagles move in on him.

S.P.V.A. CHAMPIONS
 The G.C.H.S. Football Team demonstrates the effective and power packed "T" formation. A hard running and smooth backfield helped to spur the Eagles to seven wins against two losses. The hard blocking G. C. H. S. line made the backfield look very impressive.

Three returning lettermen, D. Haddix, J. Robinson, and B. Orr helped spur the Eagles to a very successful season of ten wins and five losses. After being ceded third in the S. P. V. A. Basketball Tournament, the Eagles downed Big Springs in the first game, and Grant in the semi - finals, then lost the Championship to Chappell by nine points.

The Journalism class of G. C. H. S. offers to young students an opportunity to display their talent in writing or publication. This group produces the school paper which has been one of the outstanding papers in this area through the years. It also makes up the annual to be sent in so you will enjoy the activities and student life in the years to come. When you have graduated, you can look back on "the good old days" when you were in school.

Directing much of their attention toward the attainment of an "Honor Chapter" rating, they sponsored many worth-while activities.

They observed National F. H. A. Week with a bundle drive, a window display, and a night meeting. Each Wednesday they assemble to discuss problems and projects.

First organized on the G. C. H. S. campus in 1931 the Future Farmers of America is the ablest organization at this school. Garden County young men have an opportunity to practice rural leadership through this nationally affiliated society.

Life long goals are the principal aim of the Future Farmers of America. They set up ideals and practices coupled with know how to follow in actual practice.

Mr. Thompson is the advisor of this group.

Last year a plaque was given to the school and the name of the player who through the year made the most tackles was to be put on it. This year Joe Vogler was recipient of the second year award.

The G. C. H. S. Pep Club is an organization which promotes spirit, good will, and good sportsmanship at all athletic events.

Each girl makes an effort to demonstrate acceptable behavior, so she can make herself an example to those behaving badly.

Annually the Pep Club girls sponsor a semi-formal athletic banquet with the help of the mothers. The money for this is raised by the selling of food and confections at all home games.

J. Gillett, N. Peterson, W. Burke, W. Shephard, M. Brown,
I Dowson, N. Bartholome, K. Rentzsch, J. Morrow, D. Haddix.

A nose for news, hard work, sympathy, an understanding of people, and a sense of humor are a few of the requirements for a reporter. The Eagle Beakon being eagerly poured over by the subscribers is mute testimony of the success of the staff.

The official paper contains a monthly record of activities, educational news, personality reviews, poetry, and humorous columns compiled by the journalism class.

Editor of the paper is Katherine Albee, Harold Keenan is business manager, and Joe Vogler is sports editor. The entire class under the supervision of Mr. Nicholas acts as reporters and makeup artists.

Camera Club

Left to Right: Mr. Bean, G. Rounsborg, E. Bourquin, R. Cranmore.

The Camera Club is primarily concerned with the art of good photography, and with the development and enlargement of the pictures taken during the year. It has proved to be one of the most popular hobbies at Garden County High School since its conception.

SECOND ROW: R. Dayley, D. French, D. Haddix, Mr. Saunders, P. Frahm, V. Chichester.

All are dedicated to ideals and principles of the oldest of the cultural arts, expression of feeling through color, line and perspective. These students have used several of the media but the most popular have been pastels, charcoal, water color, oil and pencil.

The outstanding artists of the group are recognized by membership in the Fine Arts Honor Society. The students honored this year are: Dorothy French, Shirley French and Don Haddix.

The Achievement Day Art display affords the opportunity for a public display of their talents and brings to them a merited commendation from the patrons of the school.

Dramatics Club

FIRST ROW: Left to Right: D. Roudebush, H. Stockman, L. Moffat, D. Hines, W. Burke, J. Morrow.

The Annual Dramatics Carnival was presented March 6th. and was sponsored by the Dramatics Club. Mr. Bob Nicholas is adviser to this group.

Music filled the air: at half time ceremonies, in the homecoming parade, at the P. T. A. Halloween parade, at many down town events both for the school and the community.

The band attended the music festival at Grant and added enthusiasm at our many pep sessions.

Director John Graham and his program offer a planned program of achievement in all phases of instrumental training.
